

# CompliancePortal

Zero Paperwork. Full Compliance.

 Web Application  AMW Mining & Allied Services  amwmining.in

CompliancePortal is the centralized compliance management dashboard for mining operations. It tracks DGMS returns, IBM filings, state permits, and environmental clearances with automated reminders.

## The Challenge

Mining compliance involves dozens of statutory filings across multiple authorities with different deadlines, formats, and penalties for non-compliance.

## Our Solution

CompliancePortal consolidates every compliance obligation into a single dashboard with automated tracking, reminders, and filing assistance.

## Key Features

Purpose-built capabilities for the mining industry

**DGMS Returns Tracker**

Complete calendar of DGMS filings — Forms A, D, G, M, and all statutory returns with deadline tracking.

### **IBM Filings**

Indian Bureau of Mines returns, environmental clearances, and mineral concession compliance tracking.

### **State Permits**

State-level mining permissions, DMF contributions, and regional regulatory compliance.

### **Environmental Clearances**

EC compliance monitoring, consent to operate/renew, and pollution board filing schedules.

### **Auto-Reminders**

SMS, email, and in-app alerts for upcoming deadlines — 30 days, 15 days, 7 days, and daily countdown.

### **Document Vault**

Secure storage for all compliance documents with version control, expiry tracking, and quick retrieval.
